ABOUT COMPANY

Surreality Dezynz was founded in Pretoria in 2009 and officially launched in 2018 to help people bring bold ideas to life. B-BBEE Level 1 status.

We specialise in graphic design, web design, animation, illustration, comic books, printing, photography, consulting and independent publishing.

Our work is custom, high-quality, and designed to make you stand out. Whether you're building a brand, telling a story, or launching a passion project, we bring creativity and purpose to every detail.

“From dream state to reality” — that’s how we create.

OUR VISION

To be a leading Advertising and Media support company in providing our clients with innovative solutions for all branding requirements enabling them to optimise their business objectives.

OUR MISSION

To build long-term client relationships by delivering innovative solutions, exceptional service, and a complete, multi-dimensional marketing experience.

OUR SERVICES

We offer a comprehensive range of creative services designed to bring your brand to life across every platform. Our **graphic and web design** services include complete visual identity development, logo creation, typography, corporate branding, infographics, social media graphics, newsletters, annual reports, consulting, and custom website design. We also provide **high-quality printing solutions**, from business cards, flyers, posters, brochures, and banners to branded merchandise such as T-shirts, caps, personalised cups, car magnets, vinyl stickers, invoice books, stamps, and CNC laser cutting. Our **video and photography** services cover professional photo and product shoots, as well as motion graphics including animation, audio integration, typography, imagery, and engaging video content for online media. In addition, we specialise in **comic art and illustration**, creating graphic novels, comic books, album art, book covers, picture books, technical illustrations, and concept art.
